

-Royalty Application-

Congratulations and thank you for your desire to be on Swine Week Royalty! As the name implies, being on Royalty is a HUGE honor and is greatly appreciated and respected. As a Royalty member, you will be asked to help raise money and to participate in as many Swine Week activities as possible. You will be raising money throughout the Edmond community as well with family, friends and other connections you may have.

By becoming a Royalty member, you will join student council in forming a lasting relationship with the chosen recipient. You will gain valuable insight into the organization and see how they impact the lives of Oklahomans. You will also be able to learn skills that may help you throughout your lifetime: community service, fundraising, event planning, communication skills, and so many more. Plus, this will look great on college applications.

We have so much faith that all of you will be able to raise your goals to benefit Swine Week's completely deserving 2018 recipient: Make Promises Happen.

Here is what you should aim to raise:

- For a group of 1: \$2,250
- 2: \$4,500
- 3: \$6,750
- 4: \$9,000

The first MANDATORY Royalty meeting will be Monday, November 30th during Tutorial in the Auditorium.

Participation Waiver

I, _____, agree to participate in all Swine Week events as a Royalty member and to fundraise to the best of my abilities. By doing so, I will be of greater service to myself, my community, and to the Swine Week recipient. By signing this official document, I assume all responsibilities that may come about while participating in any/all Swine Week activities. I realize the time commitment that I am undertaking and know that my school work must continue to be of utmost importance. Furthermore, I understand that all money must be raised in a manner that complies with the EMHS Student Handbook. I will comply with all requests by Mrs. Killackey, the Swine Week/Royalty Chairs and the Administration. I will also turn in all money raised by my group to Caroline Judd (Stuco Treasurer) or Elanna Killackey (Advisor) on a regular basis.
